

That is brilliant news. You are our favorite estate agent in the UK by a country mile and - seriously - massive thanks for your hard work getting this one to exchange. You are a huge asset to the company Sean, exactly what a local community estate agent should be like - and please pass this feedback onto your boss. It is very unlikely we would have come back to RP for the sale otherwise. I won't begrudge paying over the fees at all at the end of august - you've earned them!

Cheers & good luck

Matt & Antonia
